PATRONAGE

Tenho o prazer de falar com vocês da vibrante cidade de Kumanovo, na Macedônia. Enquanto estou aqui, rodeado pela rica cultura e história desta região, parece-me o cenário perfeito para discutir a notável jornada e a frutífera cooperação entre o Circuito Brasileiro e a Associação Internacional de Fotógrafos de Arte (IAAP).

O 2º Circuito Brasileiro, organizado por uma equipe dedicada do Brasil, rapidamente se tornou uma referência de excelência no mundo da fotografia. Este circuito é uma prova do poder da colaboração e da paixão partilhada pela arte que nos une. Este evento anual evoluiu, fortalecendo ainda mais os laços entre as nossas organizações e proporcionando uma plataforma para os fotógrafos mostrarem os seus talentos.

O trabalho que estão realizando não é crucial apenas para a história da fotografia brasileira, mas também para a comunidade fotográfica global. A dedicação e trabalho árduo fizeram deste evento um sucesso retumbante e estou confiante de que ele continuará a crescer e a inspirar os fotógrafos nos próximos anos.

Ao olharmos para o futuro, estou ansioso por ver os próximos capítulos desta nossa história de cooperação. Estou confiante de que, juntos, continuaremos a promover uma comunidade vibrante e inclusiva, que celebra a fotografia em

todas as suas formas. Vamos manter este espírito de colaboração e esperar por muitos mais projetos e eventos de sucesso nos próximos anos.

Tenho o prazer de estender meus sinceros parabéns aos vencedores dos prêmios. Seus trabalhos excepcionais não apenas lhe renderam merecido reconhecimento, mas também contribuíram para a rica variedade de arte fotográfica que celebramos. Aos participantes, quero lembrar que todas as aceitações nesta competição também contam para o sistema de honras da IAAP. Portanto, convido vocês a visitarem nosso site theiaap.com/honors para verificar seu progresso e continuar buscando a excelência em sua jornada fotográfica.

Quero parabenizar e agradecer aos organizadores do Circuito Brasileiro e dizer o meu muito obrigado por fazer parte desta jornada incrível. Da pitoresca cidade de Kumanovo, envio-lhe os meus melhores votos de sucesso e criatividade contínuos.

Até a próxima, boas fotos!

Vladimir Jovanovski
Presidente da International Association of Art Photographers (IAAP).

I am delighted to be speaking to you from the vibrant town of Kumanovo, Macedonia. As I stand here, surrounded by the rich culture and history of this region, it seems like the perfect setting to discuss the remarkable journey and fruitful cooperation between the Brazilian Circuit and the International Association of Art Photographers (IAAP).

The 2nd Brazilian Circuit, organized by a dedicated team from Brazil — Foto Cine Clube Bandeirante, Cine Foto Clube de Amparo, Grupo Foto Amigos de Ribeirão Preto, Candango Fotoclube, and Foto Clube Rio Preto e Branco — has quickly become a beacon of excellence in the world of photography. This circuit is a testament to the power of collaboration and the shared passion for photography that unites us all.

I would like to take a moment to congratulate and thank the organizers of the Brazilian Circuit. The work you are doing is not only crucial for the history of Brazilian photography but also for the global photographic community. Your dedication and hard work have made this event a resounding success, and I am confident that it will continue to grow and inspire photographers for years to come.

As we look to the future, I am eager to see the next chapters in the story of our cooperation. I am confident that together, we will continue to foster a vibrant and inclusive community that celebrates the

art of photography in all its forms. Let us maintain this spirit of collaboration and look forward to many more successful projects and events.

I am thrilled to extend my heartfelt congratulations to the winners of the awards. Your exceptional work has not only earned you well-deserved recognition but has also contributed to the rich tapestry of photographic art that we celebrate. I am hopeful that this contest will evolve into an annual event, further strengthening the bonds between our organizations and providing a platform for photographers to showcase their talents. To all the participants, I want to remind you that all acceptances in this competition also count towards the IAAP honors system. I encourage you to visit our website at theiaap.com/honors to check your progress and continue striving for excellence in your photographic journey.

Thank you for being part of this incredible journey. From the picturesque town of Kumanovo, I send you my best wishes for continued success and creativity. Let us keep the spirit of photography alive and thriving, and may our partnership continue to flourish in the years to come.

Until next time, happy photographing!

Vladimir Jovanovski
President of the International Association of Art Photographers (IAAP).

Quem poderia prever que a fotografia se tornaria uma das atividades mais praticadas no mundo? Todos amam a fotografia. Todos adoram fotografar.

O fotoclubismo surgiu dessa paixão individual e coletiva pela arte de congelar o tempo, de contar histórias através de imagens, de andar com uma câmera fotográfica pendurada no pescoço. Por trás dessa rotina efervescente, sempre existiram pessoas que sustentaram os fotoclubes com sua personalidade e força. É com base nelas que o movimento cresce, em sua quase abnegação e em seu trabalho dedicado aos outros.

Esta é a história do segundo Circuito Internacional de Fotografia Brasileira. Na esteira do sucesso da primeira edição, realizada em 2023, o evento agora se consolida entre os grandes concursos do mundo. O Circuito foi abraçado por um número significativo de fotoclubistas brasileiros e estrangeiros desde sua primeira edição, e continuou a contar com grande participação neste ano.

Com uma equipe de jurados de primeira linha, que selecionaram um conjunto de fotografias primorosas, o Circuito demonstra que, entre suas premissas, estão a qualidade da obra fotográfica e a importância de divulgá-la.

Na base de todo este processo, encontramos cinco fotoclubes brasileiros tradicionais e seus diretores, que aceitaram o complexo desafio de organizar um evento dessa magnitude e torná-lo um evento esperado no calendário fotográfico mundial.

A Confederação Brasileira de Fotografia comemora o sucesso desta segunda edição do Circuito Internacional da mesma forma que celebrou o êxito de sua primeira versão. Ver o fotoclubismo crescer e participar deste crescimento é o que motivou nossos primeiros líderes e é o que ainda nos impulsiona.

Viva a Fotografia!

Carlos Gandara
Presidente da Confederação Brasileira de Fotografia

Who could have predicted that photography would become one of the most practiced activities in the world? Everyone loves photography. Everyone loves taking photos.

Photoclubism arose from this individual and collective passion for the art of freezing time, of telling stories through images, of walking with a camera hanging around your neck. Behind this effervescent routine, there have always been people who supported the photo clubs with their personality and strength. It is based on them that the movement grows, in their almost selflessness and in their work dedicated to others.

This is the story of the second International Brazilian Photography Circuit. Following the success of the first edition, held in 2023, the event is now consolidated among the major competitions in the world. The Circuit was embraced by a significant number of Brazilian and foreign photo clubs since its first edition, and continued to have great participation this year.

With a team of top-notch judges, who selected a set of exquisite photographs, the Circuit demonstrates that, among its premises, are the quality of the photographic work and the

importance of disseminating it. At the base of this entire process, we found five traditional Brazilian photo clubs and their directors, who accepted the complex challenge of organizing an event of this magnitude and making it an expected event on the world photographic calendar.

The Brazilian Confederation of Photography celebrates the success of this second edition of the International Circuit in the same way it celebrated the success of its first version. Seeing the photo club grow and participating in this growth is what motivated our first leaders and is what still drives us.

Long live Photography!

Determinação e trabalho consolidado

A segunda edição do Brazilian International Photography Circuit consolidou o Brasil definitivamente no cenário mundial de circuitos fotográficos.

Nosso maior orgulho foi a retomada, em 2023, dos Salões Internacionais de São Paulo e de Amparo, além da criação dos salões de Brasília e São José do Rio Preto e a inclusão de Ribeirão Preto.

Para nós, é uma honra organizar um concurso desta magnitude com jurados competentes, artistas extraordinários e uma equipe incrível e dedicada nos bastidores, resultando em um trabalho de excelência.

Reginaldo Leme | Chairman

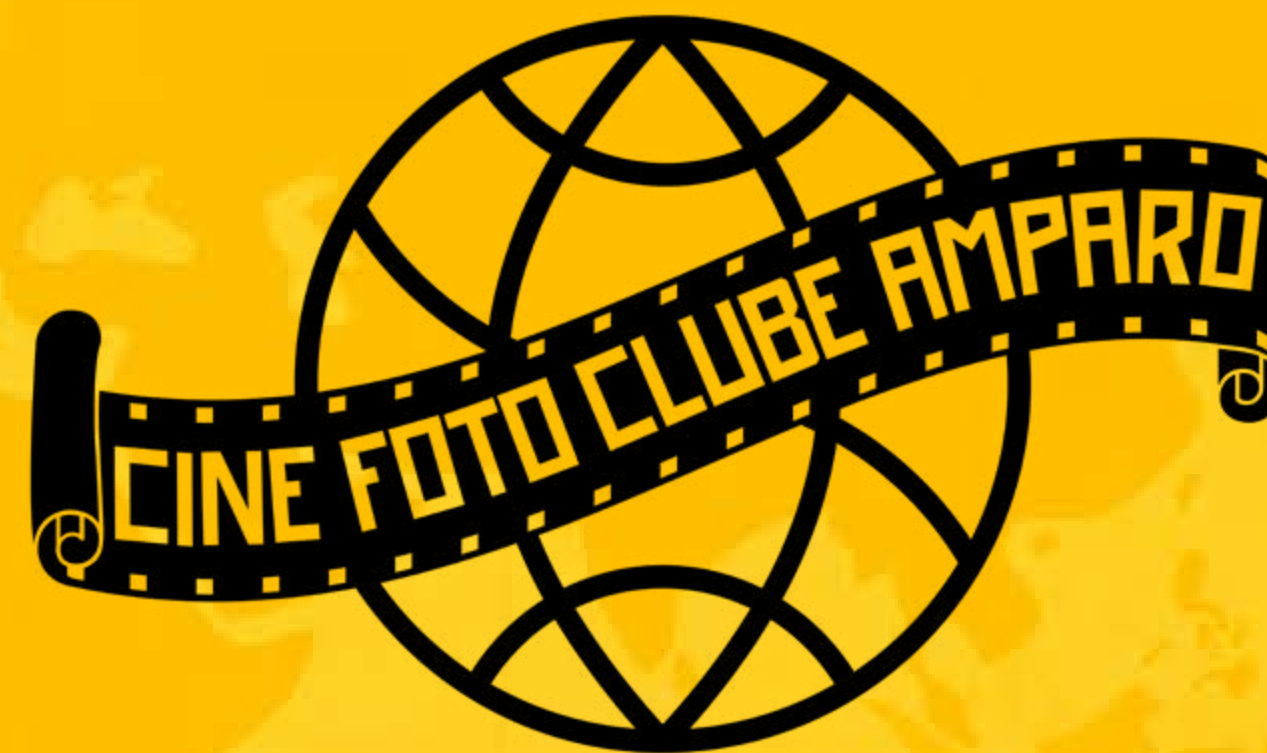

President of Cine Foto Clube de Amparo and FIAP Exhibition Center
Chairman 27th International Salon of Photographic Art of Amparo
IAAP Ambassador in Brazil

Determination and consolidated work

The second edition of the Brazilian International Photography Circuit has definitely consolidated Brazil in the world scenario of photographic circuits.

Our greatest pride was the return, in 2023, of the International Salons of São Paulo and Amparo, besides the creation of the salons of Brasília and São José do Rio Preto and the inclusion of Ribeirão Preto.

For us, it is an honour to organize a contest of such magnitude with competent jury members, outstanding artists and an incredible and dedicated team working behind the scenes, resulting in a work of excellence.

Cooperação e amor à fotografia

Projetos como este nos mostra a extensa diversidade cultural e paisagens encantadoras do nosso planeta, traduzidas em imagens icônicas de artistas notáveis. As paixões desses fotógrafos encurtam as barreiras do idioma e revelam as grandezas criativas de cada um de nós.

Além da fotografia, o Brazilian Circuit nos proporciona relevante troca de conhecimento e cooperação entre os jurados convidados e as instituições envolvidas. A forte amizade e sinergia, entre os fotoclubes organizadores, refletem na excelência nos resultados obtidos nesta edição.

Excelência e pluralidade de olhares

A qualidade do corpo de jurados desta edição é inquestionável, com destaque para a expressiva participação feminina, que transcende a mera representatividade. Nossa escolha reforça o compromisso com a valorização do olhar único e da sensibilidade ímpar das mulheres na fotografia.

Enriquecendo ainda mais, artistas dos seis continentes enviaram suas obras, demonstrando a criatividade em todas as suas formas de expressão. A forte participação de fotógrafos brasileiros consolida o Circuito como um dos eventos mais importantes e grandiosos do Brasil, tornando-o como vitrine global da fotografia contemporânea.

Excellence and plurality of perspectives

The quality of this edition's panel of jury members is unquestionable, with emphasis on the significant women's participation, which transcends its mere representativeness. Our choice reinforces the commitment with the appreciation of the unique perspective and the singular sensitivity from women in photography.

Enriching it even more, artists from all six continents submitted their works, showing creativity in its all possibilities of expression. The strong participation of Brazilian photographers consolidates the Circuit as one of the greatest and most important events in Brazil, making it become a global showcase of contemporary photography.
