

A photograph of two elderly people in traditional clothing cooking over a brick stove. The person on the left is standing and stirring a large pot on the stove, while the person on the right is crouching and tending to the fire. The scene is set in a rustic, dark interior with brick walls and wooden structures. Steam is rising from the pot, and the overall atmosphere is warm and traditional.

ACKNOWLEDGMENT

Dear photographers and photo clubs.

It is with great joy that we write to thank you once again for the confidence deposited in our work in organizing and carrying out this Salon, which allows us to spread

photography with maximum quality throughout the world.

We are living in a time where image reproduction is in the palm of most hands, but there are still few who have the artistic look and creative mind to capture the details that we can witness in this work. We value the importance of the professional ties that we have created over the years with Salons and Bienals and it is a pleasure to be able to repeat the success of our first international Salon of 2021, certainly thanks to the effort and receptivity of all involved. We would like to extend our thanks to the Municipality of Ribeirão Preto, the Secretary of Culture, the

Palace Cultural Center, the José da Silva Bueno's Museum of Image and Sound, FIAP, IAAP, Confoto, Amigos da Fotografia, the Movimento das Artes, and to everyone who contributed to this event. We are certain that with this Second Salon we have established a new tradition of reunions and success. I hope that we all have great productions for the Third Salon to be held in 2023, a big hug and see you next time!
