PRESENTATION

1st ABCclick International Photographic Art Salon 2025

Fotoclube ABCclick is honored to present the award-winning photographs of the 1st ABCclick 2025 International Salon of Photographic Art, an event that carried the name of São Caetano do Sul to every corner of the world.

With the participation of 714 photographers representing 64 countries across five continents, the salon received nearly 8,000 photographs of exceptional technical and artistic quality, distributed among the Open Color, Open Monochrome, and People categories. This significant international participation establishes São Caetano do Sul on the global photography scene, projecting our city as a center of artistic excellence.

The realization of this event marks a historic moment for Fotoclube ABCclick, which in 2025 was recognized as a Cultural Hub (Ponto de Cultura) by the Municipality of São Caetano do Sul. This recognition was essential in enabling both the organization of the International Salon and the presentation of this exhibition, demonstrating the commitment of the Municipal Department of Culture to strengthening photographic art and promoting the international visibility of our city.

The recognition granted by the world's leading photographic organizations — FIAP (Fédération Internationale de l'Art Photographique), PSA (Photographic Society of America), IAAP (International Association of Art Photography), and CONFOTO (Brazilian Confederation of Photography) — through their prestigious patronages, attests to the quality and importance of this inaugural edition.

The diversity of perspectives, styles, and cultures represented in the works exhibited here reflects the universality of the photographic language and the ability of art to transcend borders, bringing together artists from all continents around technical excellence and aesthetic sensitivity.

We extend our special thanks to the members of Fotoclube ABCclick who dedicated their time, knowledge, and commitment to organizing this salon, making possible a project that definitively places São Caetano do Sul on the map of world photography.

The gold, silver, and bronze medals, as well as the honorable mentions presented here, represent the most outstanding works among thousands of images submitted to the rigorous evaluation of our international jury. The 1,402 accepted images form the salon's official selection and can be viewed in full in our Virtual Exhibition, available on our website:

PRESENTATION

Fotoclub ABCclick

About Fotoclub ABCclick

Founded in November 2008 in São Caetano do Sul, in the metropolitan region of São Paulo, Brazil, Fotoclub ABCclick was born from a shared passion: bringing together photographers who believed that the photographic image is one of the most powerful forms of human expression. Over more than 17 years, the club has grown from a small group of photography enthusiasts into a nationally recognized institution with 74 members spread across seven Brazilian states. Its mission has remained unchanged since its founding — to support and promote the development of photographic art, and to share photographic knowledge with its members and the wider community through cultural and educational activities. ABCclick has organized eleven consecutive National Salons of Photographic Art, twelve editions of the Photography Week in São Caetano do Sul, numerous collective exhibitions, photographic outings, workshops, and lectures — all with free public access. In 2025, the club was officially recognized as a "Ponto de Cultura" (Cultural Hub) by the Municipality of São Caetano do Sul, a distinction that acknowledges its sustained contribution to the cultural life of the city.

On the international stage, ABCclick has steadily built a presence that few Brazilian clubs can match. The club has participated in salons across Europe, Asia, and the Americas, earning podium finishes in prestigious events such as the Salon Daguerre (Paris, France), Salon Onyx (Romania), Salon Campina (Romania), Salon Fine Shot (Canada), and — in 2024 alone — four Best Club Awards granted by the Nicosia Photographic Society (Cyprus): at the Nicosia Photo Awards, the Cyprus Photo Awards, the 3rd Kyrenia Photo Awards, and the 4th Othello Photo Awards. In the 20th FIAP World Cup for Photo Clubs, ABCclick ranked 52nd globally — the highest-ranked Brazilian club in the competition.

The 1st ABCclick International Photographic Art Salon 2025 represents a natural next step in this journey. Organizing an internationally accredited salon — patronized by FIAP, PSA, IAAP, and CONFOTO — had long been an ambition of the club. The response exceeded all expectations: 714 photographers from 64 countries submitted nearly 8,000 images, making this one of the largest debut international salons ever held in Brazil. This catalog is a record of that achievement — and an invitation. We hope to welcome you again in the 2nd ABCclick International Salon.
