SUMÁRIO | SUMMARY

Como distinto jurado e presidente da Associação Internacional de Fotógrafos de Arte (IAAP), é com grande prazer que estendo meus sinceros elogios aos organizadores, artistas e juizes do 1st Brazilian Circuit of Art Photography.

A magnitude deste evento foi de tirar o fôlego, com impressionantes 4500 fotografias de 453 artistas brilhantes de 59 países. A qualidade e a criatividade em exibição foram nada menos que inspiradoras, deixando os juizes com a tarefa hercúlea de selecionar os vencedores de um campo tão prestigiado e competitivo.

No entanto, os juizes demonstraram profissionalismo e discernimento consumados, envolvendo-se em extensas deliberações para chegar às suas decisões. Os prêmios são um testemunho de arte excepcional e do nível de excelência alcançado por todos os vencedores.

Como presidente da IAAP, estou profundamente impressionado com a dedicação e o trabalho árduo dos organizadores deste evento. Sua visão, criatividade e atenção aos detalhes foram

incomparáveis, resultando em uma experiência verdadeiramente notável e inesquecível para todos os envolvidos. Estou imensamente orgulhoso do papel que o organizador desempenhou na promoção do crescimento e reconhecimento da fotografia artística como um meio dinâmico e vital. À luz do sucesso retumbante deste evento, apoio de todo o coração a noção de que o 1st Brazilian Circuit of Art Photography se torne uma celebração anual do rico e diversificado mundo da fotografia.

Para encerrar, eu estendo meus mais profundos parabéns e sincera admiração a todos os envolvidos neste evento fenomenal. Vocês verdadeiramente subiram o sarrafo na arte fotográfica, e eu espero testemunhar o crescimento e sucesso contínuos deste circuito nos próximos anos.

Vladimir Jovanovski

President of the International Association
of Art Photographers - IAAP

As a distinguished juror and president of the International Association of Art Photographers (IAAP), it is with great pleasure that I extend my heartfelt accolades to the organizers, artists, and judges of the 1st Brazilian Circuit of Art Photography.

The magnitude of this event was breathtaking, with a staggering 4500 submissions from 453 brilliant artists hailing from 59 countries. The quality and creativity on display were nothing short of awe-inspiring, leaving the judges with the Herculean task of selecting the winners from such a prestigious and competitive field.

Nevertheless, the judges demonstrated consummate professionalism and discernment, engaging in extensive deliberations to reach their decisions. The awards are testament of exceptional artistry and the level of excellence achieved by all winners.

As the president of the IAAP, I am profoundly impressed with the dedication and hard work of the organizers of this event. Their vision, creativity, and attention to detail were unparalleled, resulting in

a truly remarkable and unforgettable experience for all involved. I am immensely proud of the role the organizer played in fostering the growth and recognition of art photography as a dynamic and vital medium. In light of the resounding success of this event, I wholeheartedly endorse the notion that the 1st Brazilian Circuit of Art Photography become an annual celebration of the rich and diverse world of art photography.

In closing, I extend my deepest congratulations and sincerest admiration to all involved in this phenomenal event. You have truly raised the bar for art photography, and I look forward to witnessing the continued growth and success of this circuit in the years to come.

O Brasil respira fotografia

Para quem não conhece, o Brasil é definitivamente uma nação que merece ser visitada. Somos um país continental, com uma natureza ímpar e exuberante; um povo com muitas caras e tradições, personalidades e multicultural.

Nosso país é acolhedor, bonito demais e tem vocação para fazer amigos e belíssimas imagens. Neste cenário, a fotografia prospera, cresce em todas as suas vertentes e encanta como uma das artes que mais representa nosso país.

O Brasil é terra de grandes fotógrafos e o fotoclubismo nos revelou nomes que são alicerces venerados em nossa arte. A Confederação Brasileira de Fotografia (CONFOTO) surgiu há 65 anos com objetivo de reunir os fotoclubes em torno de Salões, Concursos e Bienais.

Atualmente, temos mais de 30 clubes associados e dezenas de coletivos fotográficos que reúnem aqueles que cultuam a fotografia como forma de expressão artística. A CONFOTO é a conexão direta entre os fotoclubes brasileiros e com seus pares na América, Europa e Ásia.

Diante de um enorme legado, faltava algo para a fotografia brasileira. Hoje superado! A realização do 1º Circuito Internacional de Fotografia Brasileira, que aqui se apresenta, vem coroar toda nossa história e colocar o fotoclubismo brasileiro, ombro a ombro, com os expoentes internacionais.

Sinto-me honrado e muito feliz ao escrever estas palavras, representando nossa Confederação no catálogo oficial, entre centenas de imagens incríveis. Os cinco fotoclubes organizadores merecem nosso respeito, por enfrentar este desafio, e o nosso agradecimento por proporcionar tal evento. A partir deste circuito internacional, um novo capítulo do fotoclubismo brasileiro começa a ser escrito, por muitas mãos e em muitas línguas.

Parabéns aos organizadores, aos exímios jurados e aos brilhantes fotógrafos de todo o planeta. Viva a Fotografia!

Carlos Gandara

Presidente da Confederação Brasileira de Fotografia - CONFOTO

Brazil breathes photography

For those who do not know, Brazil is definitely a nation that deserves to be visited. We are a continental country, with a unique and exuberant nature; a people with many faces and traditions, personalities and multicultural.

Our country is welcoming, too beautiful and has a vocation to make friends and beautiful images. In this scenario, photography thrives, grows in all its aspects and enchants as one of the arts that most represents our country.

Brazil is a land of great photographers and photoclubism has revealed to us names that are venerated foundations in our art. The Brazilian Confederation of Photography (CONFOTO) emerged 65 years ago with the objective of bringing together photo clubs around Salons, Contests and Biennials.

Currently, we have more than 30 associated clubs and dozens of photographic collectives that bring together those who worship photography as a form of artistic expression. CONFOTO is the direct connection between Brazilian photo clubs and their peers in America, Europe and Asia.

Faced with a huge legacy, something was missing for Brazilian photography. Today overcome! The realization of the 1º International Circuit of Brazilian Photography, which is presented here, crowns our entire history and puts Brazilian photoclubism, shoulder to shoulder, with the international exponents.

I am honored and very happy to write these words, representing our Confederation in the official catalog, among hundreds of incredible images. The five organizing photo clubs deserve our respect, for facing this challenge, and our thanks for providing such an event. From this international circuit, a new chapter of Brazilian photoclubism begins to be written, by many hands and in many languages.

Congratulations to the organizers, the expert jurors and the brilliant photographers from all over the planet. Long live Photography!

Carlos Gandara

President of the Brazilian Confederation of Photography - CONFOTO

FOTOCLUBE RIO PRETO E BRANCO

1st INTERNATIONAL SALON OF PHOTOGRAPHY ART OF
SÃO JOSÉ DO RIO PRETO

O Fotoclube Rio Preto e Branco foi fundado em 14 de abril de 2008, por Sylvia Nogueira Cury (presidente), Jorge Thomé (Tesoureiro), Toninho Cury (Diretor de Fotografia) e Tufik Bauab. Durante esses anos, organizamos diversas exposições fotográficas e, em seguida, passamos a participar ativamente dos concursos nacionais e internacionais, obtendo inúmeras premiações.

No ano de 2012, trouxemos para Rio Preto a Bienal Nacional de Arte Fotográfica Preto e Branco pela primeira vez e, em 2017, realizamos a Bienal de Arte Fotográfica Brasileira em Cores. Agora, em 2023, ao completar 15 anos, estamos muito felizes em realizar o 1º Salão Internacional de Arte Fotográfica de São José do Rio Preto.

A convite da querida amiga Elza Rossato, presidente do Grupo Amigos da Fotografia de Ribeirão Preto, aceitamos participar do 1st Brazilian International Photography Circuit. Sem dúvida, um projeto audacioso e enorme para todos nós, exigindo união e alinhamento entre os cinco foto clubes participantes, de cidades distintas. Vários foram os desafios, todos superados ao longo do caminho, devido a união e perseverança de todos.

Para nós, é uma satisfação enorme em participar de algo grandioso e inovador. Afinal, é a primeira vez que realizamos um circuito internacional em nosso país. A diversidade dos fotógrafos inscritos, a qualidade e criatividade das imagens recebidas, que acompanhamos através dos julgamentos, foram imensamente gratificantes! Foram quase 5.000 fotos inscritas; mais de 450 participantes aceitos de 59 países; 15 jurados entre brasileiros e estrangeiros; 1 catálogo completo com todos os salões.

Agradeço imensamente a José Henrique Chaim pelo companheirismo e trabalho, a Sylvia Cury, pela elaboração dos certificados da CONFOTO em nosso Circuito, Suzi Maria Castilho Ruiz e nossos associados.

Paulo Cesar Berton Custodio

Presidente do Fotoclube Rio Preto e Branco
Chairman 1º Salão Internacional de Arte
Fotográfica de São José do Rio Preto

The Fotoclube Rio Preto e Branco was founded on April 14th, 2008, by Sylvia Nogueira Cury (President), Jorge Thomé (Treasurer), Toninho Cury (Director of Photography) e Tufik Bauab. During the last years, we have organized many photography exhibitions and, later on, we have gone into participating in national and international contests, obtaining numerous awards.

In 2012, we brought for the first to Rio Preto the “Bienal Nacional de Arte Fotográfica Preto e Branco” and, in 2017, we organized the “Bienal de Arte Fotográfica Brasileira em Cores”. Now, in 2023, about to complete 15 years of existence, we are very happy to host the “1º Salão Internacional de Arte Fotográfica de São José do Rio Preto”.

Invited by our dear friend Elza Rossato, president of Grupo Amigos da Fotografia de Ribeirão Preto, we accepted to participate in the “1st Brazilian International Photography Circuit”. Undoubtedly, an audacious and huge project for all of us, demanding unity and alignment among the five photo clubs taking part in the organization, from different cities. There

were many challenges along the way, all of them overcome due to the unity and perseverance.

For us, it is a huge satisfaction to participate in something magnificent and innovative. After all, it is the first time we organize an international circuit in our country. The diversity of the subscribed photographers, the quality and creativity of the submitted images, which we followed through the judging process, were hugely gratifying! There were almost 5.000 photos submitted; more than 450 accepted participants from 59 countries; 15 jury members among Brazilians and foreigners; 1 entire catalog featuring all the salons.

Huge thanks to José Henrique Chaim, for the partnership and hard work; to Sylvia Cury, for the elaboration of CONFOTO certificates in our Circuit; Suzi Maria Castilho Ruiz and our associate members.

"Expresso a minha mais sincera gratidão pela oportunidade de ter participado como jurada nesse evento tão importante que foi o Brazilian Circuit. Foi uma experiência enriquecedora, na qual tive a chance de apreciar o trabalho de muitos fotógrafos talentosos e criativos.

Agradeço pela confiança depositada em mim para ajudar a selecionar as melhores fotos do concurso. Foi uma tarefa difícil, mas ao mesmo tempo muito gratificante, pois pude observar de perto a dedicação e a paixão que os participantes têm pela arte da fotografia.

Além disso, gostaria de mencionar que muitas das fotografias submetidas ao concurso me fizeram viajar por diferentes espaços e lugares oníricos, despertando em mim diversas emoções e sentimentos. Foi fascinante observar como os fotógrafos conseguiram capturar momentos únicos e transformá-los em imagens tão poderosas. Foi uma tarefa difícil selecionar algumas dentre tantas outras que também mereciam um prêmio.

Confesso que em várias ocasiões me peguei desejando ter sido eu a autora de algumas das fotografias que avaliei. Foi inspirador ver a criatividade e a originalidade que muitos participantes demonstraram em suas obras.

Por isso, mais uma vez, agradeço por ter tido a oportunidade de fazer parte desse processo de seleção. Foi uma experiência inesquecível que certamente levarei comigo ao longo da minha jornada como jurada e amante da arte da fotografia."

"Uma boa fotografia é aquela que comunica um fato, toca o coração e deixa o espectador mudado de alguma forma." - Irving Penn.

Silvia Alcantara
Jurada (Suécia)

"I express my deepest gratitude for the opportunity of participating as a jury member in such an important event, which was the Brazilian Circuit. It was a rewarding experience, in which I had the chance to appreciate the work of many talented and creative photographers.

I thank for the trust placed in me to help select the best photos of the contest. It was hard work, but at the same time extremely gratifying, because I could watch closely the dedication and the passion that the participants have towards photographic art.

Besides that, I would like to mention that many of the submitted photographs for the contest made me journey to different spaces and dreamy places, awakening several emotions and feelings in me. It was fascinating to observe how the photographers could capture unique moments and turn them into such powerful images. It was a challenging work to select some among many others that also deserved an award.

I admit that, in many occasions, I have desired to be me the author of some of the photos I had to rate. It was inspiring to see the creativity and the peculiarity that several participants showed in their works.

Therefore, once again, I thank for having the opportunity of being part of this judging process. It was an unforgettable experience that I will surely take with me along my journey as a juror and lover of photographic art."

"A good photograph is one that communicates a fact, touches the heart and leaves the viewer a changed person for having seen it." - Irving Penn.

"Um projeto espetacular que junta as pontas, dilui as distâncias, apaga as fronteiras e mistura tudo. O retrato me olha, a paisagem convida, a fotografia abstrata instiga e os personagens me chamam para passear por muitos lugares desconhecidos que não sei onde ficam. Uma réstia de luz escorrendo, sombras acreditam ser formas, cores orgulhosas ostentam brilhos, mas também se escondem em tons pastéis ao propor mistérios.

Tudo fascina e encanta, e ao focar minha atenção em todas estas imagens algumas perguntas enlouquecem meus pensamentos: que nota merece? Qual a mais bela? Qual fotografia conversa comigo? Como ser justo sem ter a oportunidade de explicar os critérios para cada nota, de cada escolha? Porém eu não estava só; em uma Live com outros jurados surgiu um

consenso harmônico. Construimos o leque de premiados, medalhas e menções honrosas. Talvez uma ou outra pérola tenha nos escapado, mas eram muitas pérolas para poucos prêmios: uma missão bem desafiadora.

Fui agraciado com o convite, ou desafio, de ser um dos jurados do "Primeiro Circuito Brasileiro Internacional de Fotografia", no Salão Fotográfico do Candango Fotoclube - Brasília. Milhares de imagens, centenas de participantes e dezenas de países. Que mundo ainda desconhecido é este? Meu olhar está contaminado por olhares, imagens de lugares, mistérios e formas. Não tem cura. Sigo agradecido e contaminado."

Rinaldo Morelli
Jurado (Brasil)

"A spectacular project that joins the dots, merges the distances, erases frontiers and mixes everything. The portrait looks at me, the landscape invites, the abstract photography incites and the characters call me to wander around many unknown places that I do not know where they are. A beam of light trickling, shadows believe to be shapes, proud colors boast brightness, but also hide themselves in pastel shades, proposing mysteries.

Everything fascinates and delights and, focusing my attention on all these images, some questions madden my thoughts: Which grade does it deserve? Which is the most beautiful? Which photography speaks to me? How to be fair without having the opportunity to explain the criteria for each grade, each choice? However, I was not alone. In an online meeting with the other jury members, there was a harmonious common ground. We built the range of

awards, medals and honorable mentions. Maybe one or another pearl have been missed, but there were too many pearls for few awards: a very challenging mission.

I was blessed with the invitation, or challenge, to be one of the jury members of the "First Brazilian International Photography Circuit", at the "Salão Fotográfico do Candango Fotoclube - Brasília". Thousands of images, hundreds of participants and dozens of countries. Which still unknown world is this one? My eyes are infected by perspectives, images of places, mysteries and shapes. There is no cure. I remain grateful and contaminated.

Participar, como jurado, do Primeiro Circuito Brasileiro do Salão Internacional de Arte Fotográfica de São José do Rio Preto, foi uma honra, uma alegria e uma ótima surpresa. Foram 4467 fotografias enviadas por participantes de 59 países com excelente qualidade.

A escolha das melhores imagens em três categorias foi uma maratona. Mas, uma maratona muito proveitosa. Apreendi muita coisa. Desde perceber o poder da fotografia como forma de expressão cultural e artística em todo o mundo, até conhecer coisas novas e abordagens diferentes.

A organização de um evento com essa complexidade foi também excelente. Tudo funcionou perfeitamente para os jurados. Quero agradecer aos organizadores pelo convite e também aos jurados com que tive o prazer de trabalhar; Anastasia Khan e Ali Samei e meu competente amigo César Mulati do Brasil. Realmente foi um grande sucesso!

Desejo que na próxima oportunidade, o evento seja ainda maior, envolvendo um maior número de colegas fotógrafos do mundo todo. Viva a fotografia!
